I do apologize for hounding you all, but might you provide a status update on how the compilation of requested information is progressing? And if it is not completed today, with whom should I follow-up. [redacted] advised me that an upcoming training engagement would take a number of personnel out of the office.

Good Afternoon (b)(3) 10.U.S.C 424;

(b)(3) 10.U.S.C
424;(b)(6)

referred me to you for assistance with a requirement to provide the Defense Office of Prepublication and Security Review and DoD OGC detail concerning former employee Michael Richter, specifically:

- Dates of employment
- Positions held and offices supported during employment at DIA
- Access, programs or activities on which he may have been briefed/worked, particularly if

they related to Guantanamo Bay and Detainee issues

Per DIAI 54000.005, following separation from DIA, personnel must submit for prepublication review all information or materials intended for public disclosure pertaining to intelligence, military, defense , or national security matters which may be based upon official DoD information. The aforementioned detail will inform DoD's evaluation of whether the individual may legally use the information contained in his submitted article.

DoD hopes to have this information within the next couple of days if not sooner. Please advise if this is not feasible.
